THE MACMILLAN COMPANY'S

NEW BOOKS ON ECONOMICS, ETC.

The Government of Municipalities.

THE GREAT MUNICIPAL PROBLEMS STATED AND PRACTICAL METHODS SUGGESTED IN AID OF THEIR SOLUTION.

By the Hon. DORMAN B. EATON, formerly Commissioner of the U. S. Civil Service. *Columbia University Press. Just ready. 2 vols. $4.00 net.*

Theoretical in reference to American constitutions and the relations of the city to the State and to individuals. Home rule, the theory of an autocratic mayoralty, and the true relations of political parties to city government are discussed.

Practical in the light of the experiences of municipal organizations in both America and Europe. Causes of existing evils are exposed, and efficient remedies suggested. Tammany politics and the charter of Greater New York are here fully treated.

By PROF. F. G. GOODNOW, LL.D., Columbia University.

Municipal Problems.

"Professor Goodnow's work must be classed among the three or four most instructive and thorough discussions of the subject of municipal government extant." *The Springfield Republican.*

Municipal Home Rule.

"Without doubt one of the most trenchant and scholarly contributions to political science of recent writing, remarkable for analytical power and lucidity of statement."— *Chicago Evening Post.*

Each, cloth, 16mo, $1.50 *net.*

The Rise and Growth of American Politics.

A SKETCH OF CONSTITUTIONAL DEVELOPMENT.

By HENRY JONES FORD. Cloth, 12mo, $1.50.

"A book which will prove of genuine interest to the students of American politics. . . . A valuable contribution to the literature of our political and governmental development. It contains a vast amount of information."—*The Sun*, Baltimore.

An Examination of the Nature of the State.

A STUDY IN POLITICAL PHILOSOPHY.

By W. W. WILLOUGHBY, Johns Hopkins University. Cloth, 8vo, $3.00.

"It is not often that we have to notice a work . . . which in penetrative analysis or in reconstructive generalization will compare with this."—*The Independent.*

The Study of City Government.

AN OUTLINE OF THE PROBLEMS OF MUNICIPAL FUNCTIONS, CONTROL AND ORGANIZATION.

By DELOS F. WILCOX, A.M., Ph.D. Crown 8vo, cloth, $1.50 *net.*

"*Indispensable* to the student of municipal affairs. It is certain that the man who wishes to acquaint himself with the problems indicated can find no better outline. . . . The appended bibliography is *one of the best ever printed on the subject.*"—*Times-Herald*, Chicago.

The Philosophical Theory of the State.

By BERNARD BOSANQUET. 8vo, cloth, $3.25 *net.*

The author's idea of the fundamental principles of a true social philosophy, through a knowledge of which he hopes to bring about a study of the practical problems of life.

"Luminous and exhaustive; instructive at every point."—*The Transcript*, Boston.

The Lesson of Popular Government.

Two volumes, cloth, 8vo, $4.00.

"An exceedingly valuable contribution to the subject."—Chicago Tribune.

By GAMALIEL BRADFORD. A constructive and critical attempt to show that not only does the trend of events tend to show that Democracy is a form of government which will remain, but that it is the best form so far developed.

"The work is strong in its grasp of the subject, able in treatment; and, in its contents, it is a mine of ideas and information."—*The Chronicle-Telegraph*, Pittsburg.

"So admirably classified that it is invaluable for reference."—Book Reviews.
